To whom it may concern:

This letter is to request operating authority in three additional counties in South Carolina. Johnson's Moving licensing numbers are as follows: PSC/ORS 9781, MC 678769, USDOT 1882483. We are currently operating in Charleston, Berkeley, and Dorchester counties. We request permission to add the following counties: Beaufort, Georgetown, and Horry. This request is based on a high demand of moving services in these counties as shown by our lead services and high call volume from clients in these areas. Many potential clients have told us they have an extremely difficult time finding moving companies in these areas. Because of our tri-county service area, we have not been able to serve these customers.

Please see the attached leads that we have received in just a two week period (February 16, 2012 through March 1, 2012). There are a total of 14 different leads from Beaufort, Georgetown, and Horry counties in two weeks that we were not able to service. We also received nine phone calls from potential clients requesting our business within these three counties in that same two week period. It is important to note that February is one of the slowest months of the year for the moving business, and the moving inquiries from these additional three counties grows exponentially in the coming spring and summer months. This demonstrates the need for us to expand to these areas.

Johnson's Moving is a small business, and our goal is to provide exceptional service to clients in South Carolina. It would help our company survive, grow, and prosper if we were able to expand to Beaufort, Georgetown, and Horry counties. Please take this into serious consideration, and do not hesitate to contact us with any concerns you may have.

Sincerely,

Richard Johnson
